

Locum Link Privacy Policy

Effective Date: June 20th 2026

Introduction

LocumLink is a healthcare workforce platform designed to connect healthcare professionals and healthcare organizations for locum and employment opportunities.

This Privacy Policy explains how LocumLink collects, uses, stores, and protects information provided through the platform.

By creating an account or using LocumLink, you agree to this Privacy Policy.

Information We Collect

Healthcare Professionals

LocumLink may collect:

- Name
- Email address
- Professional registration details
- Resume
- Practice preferences
- Availability information
- Current CPSNS Licence to Practise document uploaded for verification

Healthcare Organizations

LocumLink may collect:

- Organization name
- Contact name
- Contact email address
- Clinic or facility profile information
- Job posting information
- Communications made through the platform

Technical Information

LocumLink may automatically collect:

- Login activity
- Browser and device information
- IP address
- Usage information
- Security and audit logs

Information We Do Not Collect

LocumLink is not intended to collect, store, process, or transmit:

- Patient medical records
- Personal health information
- Clinical documentation
- Diagnostic information
- Patient-identifiable information

Users must not upload patient information to the platform.

How We Use Information

LocumLink uses information to:

- Create and manage user accounts
- Verify CPSNS licensure documentation
- Facilitate matching between healthcare professionals and healthcare organizations
- Support applications and job postings
- Enable communication between users
- Provide notifications and status updates
- Improve platform functionality
- Maintain platform security
- Comply with legal obligations

Credential Verification

- Healthcare professionals who wish to apply for opportunities or create postings through LocumLink may be required to upload a current CPSNS Licence to Practise document.
- LocumLink administrators may review submitted CPSNS documentation before granting application, posting, or messaging privileges.
- Verification by LocumLink is limited to confirmation that the submitted CPSNS Licence to Practise document appeared valid at the time of review.

LocumLink does not verify:

- Work eligibility in Canada
- Citizenship or immigration status
- Atlantic Registry participation
- MSI registration
- MINC registration
- CMPA coverage
- Doctors Nova Scotia membership
- Clinical privileges
- Professional competence
- Ongoing licensure status after verification

Healthcare organizations remain responsible for conducting their own credentialing and due diligence processes.

Information Sharing

LocumLink does not sell personal information.

Information may be shared:

- Between healthcare professionals and healthcare organizations using the platform
- With service providers supporting platform operations
- Where required by law or regulatory authorities

- To protect the rights, safety, and security of LocumLink or its users

Data Security

LocumLink employs reasonable administrative, technical, and organizational safeguards including:

- Encrypted document storage
- Role-based access controls
- Authentication safeguards
- Audit logging
- Security monitoring

No system can guarantee absolute security.

Data Retention

Information may be retained while accounts remain active and for a reasonable period thereafter for:

- Verification purposes
- Compliance obligations
- Security monitoring
- Audit requirements
- Dispute resolution

User Rights

Users may request:

- Access to their information
- Correction of inaccurate information
- Deletion of information where legally permitted

Changes to this Policy

LocumLink may update this Privacy Policy periodically. Updated versions will be posted on the website.
